Committee to Present Trophies Special, Housing is to Compete

Academic Emphasis Committee will award three trophies to women's social unit, men's unit and housing unit which earns the highest grade average, it was announced yesterday.

House Council will sponsor housing trophy, and it is awarded each quarter. The trophy will be given in 1960.

WOMEN'S social unit sponsored by White Key unit trophy, sponsored by S, will be awarded spring 1960.

Although these trophies are given until later, now time to earn them," said Fisher, chairman of Academic Emphasis Committee.

ER FURTHER said that Academic Emphasis Committee expects that students remain extra social activities a-curricular work for the days.

te your time to study for exams. Remember, finals really determine your success or failure at college," said Fisher.

Class Fund Drive \$1266-Taylor

Week's class fund drive \$1266, according to Taylor, sophomore chairman.

man class collected the sum, \$710. Sophomores \$283, juniors collected \$1266, seniors obtained an additional \$60.

MAS DRIVE—Cordell Burnham (l), Nancy Kelly Maughan show some of the toys and clothing donated for Christmas gifts to the needy. These items and other desirable food products will be collected through about 50 families' names have been submitted by welfare for help from the Associated Men and Associated Women Students-sponsored drive.

NIGHT BEFORE FINALS—Marilyn Neely and Bob Hunker found out it's too late to win a scholastic trophy this quarter, so they're starting early on next quarter's texts and getting in line for the Academic Emphasis Committee trophies to be awarded to men's, women's and housing units.

Many Sound Woes . . .

Students Voice Cures For Varied Problems

by Juddy LeVar
Universe Campus Editor

Registration, traffic problems, assembly attendance, social units, grading and tuition were all among the subjects discussed in Tuesday's Dean of Students Sounding Board.

DURING discussion of traffic problems, Dean Wesley P. Lloyd said that the south end of student parking lot would be hard surfaced. Doug Evans called for a complete "re-evaluation" of the traffic system.

Evans, vice president in charge of culture, suggested that university and studentbody get together to discuss the whole gamut of problems: rules, number of cars, tickets, parking facilities and bicycles.

CAPTAIN LEONARD Christensen, head of Traffic-Security Dept., said that expansion was the continuing problem in traffic, and ultimately the main parking lot would be where Wy-

mount Village now is, according to present campus plans.

Students voiced numerous suggestions for registration procedures, and Dean Alma Burton of records and admissions requested more ideas from students who could come to his office and submit them.

ONE SUGGESTION was to give students two weeks to fill out schedules, obtain signatures and pay fees before card pulling began.

A number of students felt that only the signature of adviser was needed, and Dean Burton said that with some restrictions this was a good suggestion and might well be followed.

EWAS ALSO announced that next quarter's packets would have stamped on them a time for pulling class cards. This was designed to eliminate long lines at card-pulling section, but one student observed that it would then create long lines at deans' offices.

When queried about possibility of fieldhouse registration, Dean Burton said that last quarter 20,000 class changes were processed. This was possibly due to some of the procedures in fieldhouse registration, he said.

SUBJECT of attendance at assemblies was also discussed. Doug Evans reported that contrary to past years, devotional attendance was down, whereas attendance at student and forum assemblies was up.

Presidency Calls For Card Check At Future Dances

Students must bring activity cards with them when attending studentbody dances, according to an announcement Monday from Heber Thompson, vice president of social activities.

"The administration of the university has requested that activity cards be checked periodically at future studentbody dances," reads the memorandum. "This is a measure to present undesirable elements, usually non-students, from bringing bad influences to our dances."

Traditional Christmas Show Hits TV Friday

The traditional Brigham Young University Christmas Show will be televised Friday at 8 p.m.

"Christmas Show" is a musical production under the direction of Program Bureau. It will be televised over KSL, channel five in Salt Lake City.

LAST YEAR the program lasted one hour. According to year, an hour program over KTVU and the 30-minute hour over KSL.

"Due to technical difficulties, the local live program which heretofore originated in the fieldhouse, will be cancelled this year," said Rich.

HE DID NOT say what the "technical" difficulties were. This year's show will originate in a Salt Lake City studio.

Opening number on the program is "Christmas Alphabet" written by Jane Thompson, talent director of the production. The song spells out "Christmas," offering a meaning for each letter.

SINGING THIS number will be Tuija Hallstrom, Jean Miller, Sandra Bardley, Jerri Olson, Carol Preston, Bonnie Heywood, Marilyn Wright, Deanna Allen and Sharon Handy.

Two old fashioned caroling quartets will sing "Deck the Halls" and "O Come All Ye Faithful."

THIRD NUMBER on the program will be "Suzie Snowflake," done by Karen Grimmer, dancer, and Colleen Taylor and Betty Lee.

Lurelne LeVar, Del Fadella and a group of children will perform the "Christmas Song" written by Frank Hatch interpret the scene through dance Bill Seago and the "Alphabet" girls will close the program with "White Christmas."

CHRISTMAS scripture from the Bible will be read by Sherri Magnusson, while Mary Jo Ellis and Frank Hatch interpret the scene through dance Bill Seago and the "Alphabet" girls will close the program with "White Christmas."

Arizona Acts To Sell BYU College Site

PHOENIX, Ariz. — (UPI) The Arizona Planning and Building Commission will be asked Dec. 18 to approve sale of 260 acres of the state hospital farm as a site for a branch of Brigham Young University.

The Church of Jesus Christ of Latter-day Saints wants to build a university there for 5,000 students, according to reports at the meeting.

THE PHOENIX law firm of Jennings, Strouss, Salmon and Trask made the request to Gov. Fannin. The governor said he would ask the commission to consider it at the Dec. 18 meeting.

Jennings informed Fannin by letter.

SOME OF the officials of the university would like an opportunity to present their plans to the commission and of such a university in Arizona, being privately endowed, would relieve the taxpayers of the financial burden of educating several thousand of our young people every year.

Nine Picked For Orient Acting Tour

Nine members of the Brigham Young University Theatre group will tour the Pacific and Far East have been picked by Prof. Harold I. Hansen.

Dr. Hansen, chairman of BYU's speech and dramatic arts department, and eight other members of the cast for Noel Coward's "Blithe Spirit" applied for passports Tuesday afternoon in the Utah County Clerk's office.

The group, augmented by two cast members not yet selected, will leave Jan. 22, 1960, for a seven-week tour of Japan, Korea, the Philippines, Guam and Hawaii. They will handle all acting and technical work for the production.

COUNTY CLERK Mark Eysack said members of the cast applying for passports included Martha Adams, Montpelier, Ia.; Eleanor Brough, Kaysville; Phil Keeler, Provo; Harold R. Calk, Ogden; Lynne Palmer, Farmington, N. Mex.; Marge Potter, Battle Mountain, Nev.; M. C. Walmsworth, Reynolds, Pa.; and Carol Lynn Wright, Provo.

In addition to "Blithe Spirit," the group will give a 30-minute variety show during each performance before members of the armed forces in the Pacific Command, Dr. Hansen said. He stated that the group would give performances of the play in Central Utah before leaving on the tour.

BEFORE LEAVING, the group will also take accelerated courses in life and culture of the Far East, and in the history with emphasis on the oriental drive.

These classes will begin Dec. 19 and continue six days a week until the group leaves. The student enters the assembly, 14 hours of upper division and graduate credit for the classes and the tour. After they return, they will make an evaluation of the tour.

Students Confirm Forum Attendance Monday Morning

Records and admission personnel will distribute forum credit cards at Monday's assembly.

Cards will require students' signatures, affirming their attendance at at least seven forum assemblies. One-third quarter of credits can then be earned.

In order to receive credit, students must have registered in the class at the beginning of the quarter. Students will register in the Smi h Fieldhouse when "exam" cards are distributed may (B) put a card in the records and admissions office, Messer Bjar.

The Stagline

by Howard Hill

Saxons will send Santa Claus around to visit the women's social units tomorrow night. Santa will be loaded down with Christmas cards and candy for the women's units. The Saxons did the same thing last year and have decided to make it an annual event.

Vikings have new blue blazers. Val Hyrie celebrated the Thanksgiving holiday by having a breakfast at 5:30 a.m. the day before Thanksgiving. The VH officers served the breakfast Friday night. The party will follow a Christmas theme and To Kalon will perform on the family program.

Reed Blake, former Val Hyrie and AMS president, and former author of this column, sent a letter to Lamar Hair, ISUC president, enclosing information about a penalty slapped against a sorority on the Utah State campus.

According to Student Life, the Utah State newspaper, Chi Omega sorority was found guilty of violating rushing rules on five counts.

THEY WERE: (1) Failure to turn in an acceptance list as scheduled, (2) Failure to turn in a preferential bid list on time, (3) Count number two caused over a two hour delay in handing out bids, (4) 'Spiking', which is assuring a rusher a bid into a sorority, and (5) Highpressuring their rushers.

EVEN THOUGH THERE is a difference between sororities and fraternities on other campuses and the women's and men's social units on the BYU campus, it is evident that many of the problems are the same.

Because of their violations, Chi Omega are unable to hold any social functions winter quarter, which includes exchanges, exchange dinners, and their winter formal.

ONE OF THE MAIN problems dealing with rushing concerns some of those things that Chi Omega violated. However, the situation at BYU is different from other colleges and universities as far as accepting members is concerned.

For instance, a maximum of 60 members overshadows the units here. There have been varied opinions concerning this rule, but this is a rule that has to be followed. Most sororities and fraternities in other schools set their own number.

LAST YEAR'S ISUC (Inter-Social Unit Council) and this year's council have set up new rush rules to be followed next quarter, and even though there have been comments against the new policies, they have to be if social units are to remain on this campus.

The ISUC is composed of the president of each unit and they know the steps that have to be taken to keep the units in good standing with the administration.

Matter of fact, the state of California has adopted a bill on hazing which prohibits hazing that might cause injury.

City Discusses Raising of BYU Power Prices

PROVO — A discussion of a proposed ordinance to up Brigham Young University power rates was postponed Monday evening by the Provo City Council.

The council said it would make and effort to meet with BYU officials prior to a meeting with the utility board on Wednesday afternoon.

NO BYU officials were present at the council meeting Monday.

The utilities board and the city manager unanimously recommended the increase upon the recommendation of a rates-appraisal firm, Burns and McKinnell of Kansas City, Mo.

A. H. RECTOR, a principal engineer with the firm, recommended that BYU rates should provide for a minimum of three per cent return on capital investment—to pay for interest costs on capital improvements.

The recommended BYU rate would cover actual pre-rated costs, plus a three per cent return on capital investment as of 1958.

IN 1958, according to Rector, the school paid \$106,000 for electricity that cost \$114,000 to produce. With the recommended increase in rates, the city will "just break even" on its service to BYU. It will gain no revenue over costs, he said.

At the present time BYU is paying one per cent on invested capital in electrical facilities to serve the university.

Matmen Show Rugged Squad In Recent Meet

The BYU inter-squad wrestling meet Monday night showed what looks like the most powerful wrestling team at Brigham Young in many years. This year's team will be strengthened by many returned missionaries.

THE ONLY WEAKNESS on the team is in the heavyweight division where there are only freshmen. Coach Reid Weight will have only a month to produce a heavyweight before his first intercollegiate match.

Monday night's clash showed the depth there is in the team as the best two men in each weight class wrestled for first place.

In the 130 lb. class Allan Roe and Lowell Wilkins were tied 2-2 at the end of the first round when Roe suffered a fractured rib giving the match to Wilkins by default.

LYLE SOUTHAIR pinned Alvin Jack with 50 sec. gone in the third round to take the 137 lb. class. Joe Dewey outscored Bob Flecher 2-1 at 147.

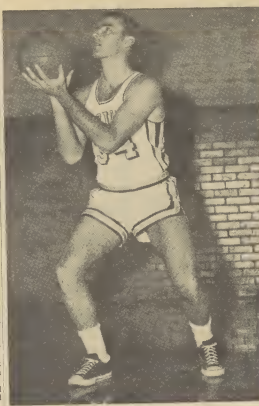

One of the best matches of the evening showed Phil Creszy leading 5-4 with 30 sec. remaining in the match when Kent Chamberland suffered a torn ligament.

THE CLOSEST match found Steve Hinton and Ron Leek tied 2-2 in the 167 lb. struggle.

Gene Baxter pinned Kendall Mortinson in 2-48 to secure for himself the 177 class berth.

In the heavyweight division Goodsell showed a lot of action edging out Martin Seneca 5-4.

The Cat matmen open their intercollegiate season on January 34 when they host Mesa College in the Smith Fieldhouse. The BYU team will face a season of 10 matches, including the AAU and a conference championship event which will be staged at the end of the season in Utah's Einar Nielsen Fieldhouse in Salt Lake City.

TROJAN TERROR — Jim White will be one of the major weapons of Southern California's attack, when BYU's Cougars clash with the SC team in Los Angeles. So far the Trojans are ranked 15th in the weekly UPI basketball poll. Only a defeat at the hands of UCLA mars the SC quarter's record. BYU meets UCLA Friday and takes on SC Saturday.

Bearcats Top Ranking Utah Up to Tenth

NEW YORK—(UPI)—Cincinnati, the pre-season choice for the national championship, took an even tighter grip today on first place in the first weekly ratings of the 1959-60 college basketball season released by the United Press International board of coaches.

WITH ALL-AMERICAN Oscar Robertson firing 45 points in his first game and 43 in the second, during the past week, Cincinnati received the first-place votes of 25 of the 35 famous coaches who comprise the board, compared to 16 in the pre-season ratings.

California, last season's N.C.A.A. Champion, was second, just as it was in the pre-season poll. But Cincinnati, which had a 63-point lead in the pre-season balloting on a point basis, boosted that margin over California to 102 points this week.

WEST VIRGINIA, fourth in the pre-season ratings, jumped to third while Ohio State and sophomore coach Jerry Lucas jumped from sixth to fourth. North Carolina remained in the No. 5 slot.
